WOLF'S FANG RUNWAY

Our runway is overlooked by one of the most magnificent and iconic mountains on the entire continent, named 'Wolf's Fang' by the early Norwegian explorers. After landing on the ancient blue ice, you will be surrounded by massive monoliths of rock that rise vertically from the glacier.

On the edge of the Great White Continent lies the Schirmacher Oasis, an ice-free area that contains over 100 freshwater lakes. This is the site of our unique camp - Whichaway.

Whichaway consists of a collection of hi-tech polar domes set on the shores of a frozen lake and encircled by a magnificent 60-metre (200-foot) icefall. It is warm and comfortable, and the perfect home base for daily activities or when you simply want to relax.

While the exterior of our pods is made from cutting-edge materials, the interiors have a relaxed, old-world feel that harks back to the golden age of Antarctic exploration.

After a busy day of activities, you'll be sure to work up an appetite. Our hearty breakfasts, elegant lunches and three-course dinners will mean you are well fed whilst staying at the end of the world.

Our chefs use the best South African produce to create meals that are full of flavour and sophisticated without being fussy. The wines come from a selection of the finest Cape vineyards, whilst the bread is freshly baked and the coffee freshly ground.

Our service is welcoming, personal and thoughtful, and takes into account each guest's dietary requirements.

Our Basler BT-67s are uprated conversions of the DC-3, specially equipped with the latest avionics for Antarctic operations and with skis for landing on snow and ice.

Robb Report "Flights by a ski-plane to a massive Emperor-penguin colony and the Geographic South Pole make for lifetime memories."

70º 38' 16" S 8º 15' 45" W

Your visit to the penguins begins with a 2.5-hour flight to Atka Bay, the site of the first episode of Sir David Attenborough's groundbreaking documentary *Seven Worlds, One Planet.* Here you'll see over 14,000 breeding pairs and their newly-hatched chicks, a spectacle full of noise and energy that is a favourite with wildlife watchers and photographers.

There are so few visitors to this colony that the chicks are unafraid of humans and often waddle close by. Mindful of our responsibility to the Antarctic environment and of IAATO guidelines, we keep at least 5m (16.4ft) from the penguins while taking in all the sights and sounds of this rare wildlife spectacle, which remains one of the greatest thrills on Earth! *"What a privilege to witness this wildlife phenomenon. The Emperor Penguins are almost mystical, it was incredible."* Rina Tham, Author of internationally published *Lucky Number 9*

During the long dark winter, the mothers hunt for food while the fathers look after the egg. When spring returns, the egg hatches and the chick sits on its parents' feet to stay warm.

DAILY ACTIVITIES AT WHICHAWAY

With only 12 guests on each adventure, our professional guides will ensure that you are always safe and well lookedafter, and that you get the most out of your time.

Your activities can be as adrenaline-fuelled or relaxed as you like: not keen on climbing, fat biking or abseiling? Then perhaps a picnic followed by a sauna and a massage would suit. The choice is yours.

"The logistics that support this 12-guest refuge would test a space mission."

Between rugged mountain ranges and spectacular frozen waves of ice, our guides will expand your horizons in this wonderland of discovery. Our philosophy is simple – do as much or as little as you like. After all, it's your adventure!

WELLNESS

A trip to Antarctica is the perfect opportunity to rest, recharge and recover from the hustle and bustle of everyday life. Not only are our team ready to lead you through the landscapes of Antarctica, but they are also on hand to guide you in relaxation and meditation techniques.

Newly added for the 2021/22 season, our sauna and wellness pod are perched beside a serene freshwater lake, whose views will inspire you during daily meditation and yoga sessions.

"Every once in a while, I think of the thousands of penguins, our home at Whichaway, the food and the challenges I conquered. When my day gets beyond stressful... I smile!" Karen Gosling, Guest (2018)

YOUR SAFETY

For all its beauty, Antarctica can be a challenging environment, with low temperatures, strong winds and high altitudes. We believe the best way to protect you is through our staff and we are absolutely uncompromising about the experience and expertise of our people.

All our mountain guides have completed the strenuous 5-year UIAGM qualification, while each camp has its own fully-qualified trauma doctor and accompanying medical kits. Our chief pilot has 10 years of experience flying in Antarctica with over 18,000 hours of logged flight time.

Tracking, satellite communications and mutual Search & Rescue agreements are all part of White Desert's comprehensive safety policies. Furthermore, by operating our own aircraft, we also have the speed and flexibility to arrange an evacuation back to Cape Town in the unlikely event that one should become necessary.

ENVIRONMENT

White Desert believes that responsible tourism is a genuine force for good and supports Sir David Attenborough's stance on the transformative power of wilderness travel: "No one will protect what they don't care about, and no one will care about what they have never experienced".

Camp - As a temporary eco-camp, our whole operation can be dismantled and removed without a trace.

Carbon neutral - White Desert was the first aviation operator in Antarctica to be entirely Carbon Neutral, a status the company has held since 2007.

Waste management - We keep waste to a minimum by repackaging all consumables before we bring them to Antarctica and then, at the end of the season, shipping all solid waste back to South Africa for recycling or responsible disposal.

RobbReport "A trip down south to the Seventh Continent is intense – which is something the Antarctica experts at White Desert know well."

ADDITIONS TO YOUR TRIP

VIRGIN PEAK

Antarctica is truly the final frontier for mountaineering, with thousands of peaks reaching as high as 4,892m (16,000ft), many of them unnamed and most of them unclimbed. Take the opportunity to explore a mountain where no one has ever set foot before, led by UIAGM-qualified high mountain guides. Contact us to discuss your options!

• AFRICAN ADVENTURES

Our home base in Cape Town isn't just the gateway to Antarctica, it is also a hub for a multitude of African experiences. From private safaris in Kruger National Park to visiting Victoria Falls or the Okavango Delta, White Desert can introduce you to the finest travel experiences in Africa. We'd be happy to make recommendations for you!

DOOR-TO-DOOR

To make your trip even smoother and to keep you away from busy crowds, we would be pleased to pick you up and drop you off at your door and to arrange private jet transportation to and from Cape Town. Our Door-to-Door service can also be arranged on an exclusive basis for up to 12 passengers.

¢ EXCLUSIVE BOOKINGS

Catering to a wide range of fitness levels, White Desert's trips are perfect for families and friends - even across three generations. With a maximum group size of 12, exclusive bookings allow each element of your experience to be completely tailored, from the food and wine to the daily activities. If you book exclusively, White Desert would be pleased to include a photographer, interpreter or specialist chef, should you desire and subject to the Gulfstream's passenger capacity.

\diamond jet owners club

Wolf's Fang Runway is the only blue ice runway in Antarctic specifically designed for business jets. We can assist jet owners, subject to a number of operating conditions, with bringing their own aircraft into our runway and creating an entirely bespoke experience.

White Desert was founded in 2005 by husband and wife team Patrick & Robyn Woodhead, who hold four exploration world records between them. When White Desert began, visitors reached Antarctica almost exclusively by cruise ship, limiting them to the Antarctic Peninsula and its coastline. Instead, Patrick and Robyn wanted to introduce guests to the deep interior of the continent while offering them a level of hospitality and comfort more akin to a high-end Africa safari than a rugged polar expedition.

Receiving its operating permit from the British Foreign, Commonwealth & Development Office (FCDO), the company has grown year-on-year and is now comprised of 70 staff of 17 different nationalities during season, providing a unique and highly specialised skillset.

Antarctic travel is the only thing White Desert does. It's our passion, it's our mission and it's in our DNA.
